

Helping you
celebrate in style!

We know that choosing the right venue for your big day can be a daunting task, but the team here at Kimpton Memorial Hall pride ourselves on offering a venue that will create lasting memories.

Your wedding day is your time to celebrate with family and life long friends. It's when everyone comes together to have fun for one special day, so you need a venue where people can relax and enjoy themselves.

Located in the beautiful rural village of Kimpton in the countryside of Hertfordshire, we are within easy reach of Harpenden, Stevenage and Hitchin. We offer a location that is private for you and your guests, with both indoor and outdoor space for you to celebrate saying 'I do'!

The hall itself can seat up to 140 people for your wedding breakfast with the option of adding a fairytale-like marquee style lining that transforms the venue, as well as having garden space and a separate bar area for your guests to relax and enjoy. The hall even offers a dedicated stage for your evening's entertainment, letting you dance the night away with your friends and family.

To help complete your perfect day we have compiled a list of local wedding vendors, which you may find useful. From accommodation to photographers, all our vendors are sourced from within the village or surrounding areas. The full list can be viewed on our website.

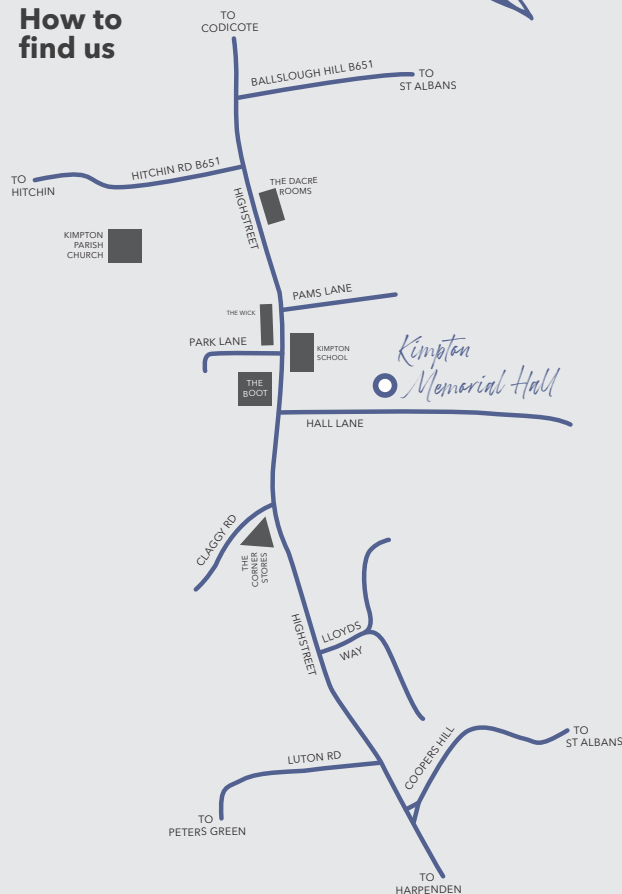

We look forward to celebrating your day with you very soon!
